BUDGET MESSAGE

Seward County

Budget Message for 2024 - 2025 Fiscal Year

As I was preparing the Budget for Seward County for the 2024-2025 Fiscal Year, I realized, like most other years, office budget requests far outweighed the available resources.

Wages were recommended to be increased no more than 3%, although some departments had other costs that increased significantly. Two examples of this showed up in the Jail budget request and the County Clerk's request. The jail currently has a company provide the meals for the inmates and that agreement increased \$50,000. In the County Clerk's instance, she has to access the State of Nebraska AS400 computer system for her Accounts Payable Program. The monthly fee was \$25-30 per month and now the fee is \$150 per month. That is a 600% increase! Albeit small in the size of the whole county budget, it is things like this the County has no control over. Determined to decrease the levy this year, the Commissioners made cuts to about every office budget and worked hard to find efficiencies. Instead of paying minimum wage to interns in some offices, they accessed our local college for unpaid internships; rather than getting new printers for 2 offices, a copy machine from a vacant office was used. Small things like this plus inserting \$365,000 from the Inheritance Fund in the name of tax relief will reward Seward County taxpayers with a drop of 2 cents in the levy.

While working through the budget process, a Special Session of the Legislature was in session to work on property tax relief. That session proved to not be kind to counties and passed a bill requiring counties to operate with a 0% lid plus the State & Local Consumption Expenditure and Gross Investment index (SLCE.) Certain exclusions to that lid are bonded indebtedness, which the county has with the Detention Center (Jail) bond and also public safety costs. Public safety is defined as crime prevention, offender detention, county attorneys and public defenders, among other things. The law doesn't take effect for this year as counties are already working on their budgets, but will take effect 7/1/2025. Next year may prove to be problematic if costs that are not controllable come up or the Legislature institutes new laws that are unfunded, as they have done in the past.

Seward County continues to use the Inheritance Fund very frugally, knowing that at some time, the Legislature, who yearly has bills introduced to abolish it, may finally do so. Working with our State Senator will be a key component in letting him/her know how important the Inheritance Fund is to counties.

The Commissioners continue to authorize the County Clerk's Office to manage a Petty Cash Account, which was first established by Resolution # 1023 on 10/25/1988 and amended by Resolution # 1505 on 9/27/1994, which raised the account to \$7,500. Petty Cash Accounts for the Clerk of the District Court in the amount of \$100 and the County Assessor for \$20 were adopted by Resolution # 3089 on 3/11/2014. Petty Cash Account for County Court was originally given to the County Court Office with no resolution adopted. On 1/5/2016, Resolution # 3219 was adopted affirming said Petty Cash Account in the amount of \$235. On 6/7/2016 additional funds in the amount of \$265 were approved to make the total Petty Cash Account for the Seward County Court \$500. Resolution # 3250 was adopted 6/21/2016 for the County Attorney's Pre-Trial Diversion Office Petty Cash Account in the amount of \$25.

It was established so they could open a checking account for credit cards to be accepted with the funds being deposited into this account.

Other Petty Cash Accounts have been established for the Seward County Jail for \$5,000 on 10/4/2016 by Resolution # 3272 to help with a cash flow problem when bonds were being paid by people using the kiosk at the Justice Center and for the Seward County Health Claim Fund, by Resolution # 3343 on 12/26/2017, in the amount of \$400,000 to pay for claims for our Partially Self-Funded Health Insurance for employees. A Petty Cash Fund for Public Transit was started in the amount of \$25 and adopted by Resolution # 3390 on 8/7/2018. This allows them to open a bank account in a local bank so that credit and debit cards can be accepted from the various transit riders. Resolution No. 3667 was adopted March 1, 2022 to allow the Sheriff's Office to have a \$10,000 Petty Cash Fund for Drug Enforcement purposes, but was given back after the Federal authorities stated the Petty Cash Fund was not allowed. It was eliminated and the funds were put in the Sheriff's Office Sinking Fund.

Moving From Page to Page:

There are several ways to move around your budget form. You can hold down the CTRL and hit either Page Down (Moves you ahead a sheet) or Page Up (Moves you to previous sheet).

The other option is to use your mouse to click on the different sheet tabs. If you are unable to see any sheet tabs at the bottom of the page click on Tools, then Options from the View Tab, click on Sheet Tabs located in the lower right hand corner of View window.

In order to keep formulas in tact, the Fund Pages will need to be copied at the same time. Following are the steps needed to accomplish this:

Go to Sheet Tab labeled Fund Page 5; hold down CTRL key and with your mouse point and click at Sheet Tab labeled Fund Page 6 then point and click on Fund Page 7 still holding down CTRL key point and click on Fund Page 8. You may release the CTRL key at this point. All 4 Sheet Tabs should be highlighted as active.

The undersigned Clerk/Board Member certifies the Public Hearing was held on the 11th _____ day of _____, 2000 up. First, you need to be sure to click on the box in the lower left corner by Create a Copy. Second, in the middle section of the window it lists all of the sheet names, you need to move down that list and click with your mouse on Schedule A - Page 9. By doing this you will be placing the new set of fund pages after the first set but before Schedule A - Page 9.

The new set of Fund Pages will be indicated by a (2) after the Sheet Tab Title. This will continue on with a (3), (4), etc. to how many you need.

The Cell Is Locked:

UNDER NO CIRCUMSTANCES WILL PASSWORDS BE GIVEN OUT. Either the cell is locked because it contains a formula or you are trying to input information in the wrong cell.

Inputting Information for Hearing Dates etc. on Cover Page and Notice of Budget Hearing (NBH):

To input hearing date, be sure to be in Cell A32. You will need to edit the cells contents. To edit you hit F2 then move around in the text deleting the underlines and replacing with your dates.

In cases where there is text surrounding where you need to put information you should always go over to Column A in the line on which you need to input and try hitting F2 to edit.

Portions of Words Disappear on my Screen:

This is a weird little quirk that happens. All of the words are still there and will print out correctly. To be able to see all of the words again, usually just going from one page to another and back again corrects the situation.

You Note Any Errors Or Have Any Problems:

We have tested this spreadsheet through various people to help identify any problem areas and to ensure formulas are correct. However, we cannot account for all the variables that occur with each individual budget. If you feel there is an error in a formula please contact us immediately so we can go over the problem(s) and if necessary correct the situation.

All of your comments or ideas to better the budget form are taken into consideration. Please feel free to contact us at (402) 471-2111 with these items. We make this available to you to HELP in the budget process and wish to improve to make the spreadsheet more user friendly.

NOW, THEREFORE, the Seward County Board of Commissioners resolves that:

1. The 2024-2025 property tax request be set at:
General Fund: \$ 9,622,427
Debt Service Fund: \$ 700,000
Total: \$ 10,322,427
2. The total assessed value of property differs from last year's total assessed value by 5.03%
3. The tax rate which would levy the same amount of property taxes as last year when multiplied by the new total assessed value of property, would be \$278.61 per \$100 of assessed value.
