BUDGET MESSAGE

Seward County

Budget Message for 2025 - 2026 Fiscal Year

Budget requests from the various offices were scrutinized by the Commissioners in an effort to control spending and give some relief to taxpayers. This year, budgets were looked over with more intensity and offices that had sinking funds were urged to use those funds for equipment rather than budgeting additional money. This worked well as most budgets were kept with minimal increases.

The Sheriff's Office was a point of concern due to no, or very little money being received from the Federal Dept. of Treasury and/or Justice in the past fiscal year to help fund the Drug Interdiction Task Force. In the past fiscal year, salaries were paid out of the Dept. of Treasury Drug Forfeiture Fund and it was almost depleted. The Commissioners also became aware that the expenses paid out of these funds had not been spent according to the Federal Drug Forfeiture Guidelines. This resulted in the Sheriff's Dept. being put on a "No Spend" status with Federal authorities. There were critical meetings with the Sheriff and Commissioners about how to go about paying wages and other expenses that were previously paid out of the Drug Forfeiture Funds. In the end, the Commissioners raised the Sheriff's Dept. budget by just under \$480,000 in order to pay for the extra wages and expenses incurred by the Sheriff's Office for a Drug Interdiction Task Force. Sheriff Vance said he would not go over budget with the extra money appropriated for his budget. Because of the extra money given to the Sheriff's Office, the County was over the threshold for complying with LB644 requirements and had to participate in the Joint Public Hearing. The statute says that if we are over 2%, plus growth (which Seward County had 1.1%), we must participate. We were an additional 3% over that amount. Even though we were over in tax asking this year, the levy will go down by just over 1 cent due to increased valuations.

Seward County continues to use the Inheritance Fund very frugally, knowing that at some time, the Legislature, who yearly has bills introduced to abolish it, may finally do so. Working with our State Senator will be a key component in letting him/her know how important the Inheritance Fund is to counties.

The Commissioners continue to authorize the County Clerk's Office to manage a Petty Cash Account, which was first established by Resolution # 1023 on 10/25/1988 and amended by Resolution # 1505 on 9/27/1994, which raised the account to \$7,500. Petty Cash Accounts for the Clerk of the District Court in the amount of \$100 and the County Assessor for \$20 were adopted by Resolution # 3089 on 3/11/2014. Petty Cash Account for County Court was originally given to the County Court Office with no resolution adopted. On 1/5/2016, Resolution # 3219 was adopted affirming said Petty Cash Account in the amount of \$235. On 6/7/2016 additional funds in the amount of \$265 were approved to make the total Petty Cash Account for the Seward County Court \$500. Resolution # 3250 was adopted 6/21/2016 for the County Attorney's Pre-Trial Diversion Office Petty Cash Account in the amount of \$25. It was established so they could open a checking account for credit cards to be accepted with the funds being deposited into this account.

Other Petty Cash Accounts have been established for the Seward County Jail for \$5,000 on 10/4/2016 by Resolution # 3272 to help with a cash flow problem when bonds were being paid by people using the kiosk at the Justice Center and for the Seward County Health Claim Fund, by Resolution # 3343 on 12/26/2017, in the amount of \$400,000 to pay for claims for our Partially Self-Funded Health Insurance for employees. A Petty Cash Fund for Public Transit was started in the amount of \$25 and adopted by Resolution # 3390 on 8/7/2018. This allows them to open a bank account in a local bank so that credit and debit cards can be accepted from the various transit riders. Resolution No. 3667 was adopted March 1, 2022 to allow the Sheriff's Office to have a \$10,000 Petty Cash Fund for Drug Enforcement purposes, but was given back after the Federal authorities stated the Petty Cash Fund was not allowed. It was eliminated and the funds were put in the Sheriff's Office Sinking Fund.

The Undersigned Clerk/Board Member Hereby Certifies:

Moving From Page to Page:

There are several ways to move around your budget form. You can hold down the CTRL and hit either Page Down (Moves you ahead a sheet) or Page Up (Moves you to previous sheet).

The other option is to use your mouse to click on the different sheet tabs. If you are unable to see any sheet tabs at the bottom of the page click on Tools, then Options from the View Tab, click on Sheet Tabs located in the lower right hand corner of View window.

In order to keep formulas in tact, the Fund Pages will need to be copied at the same time. Following are the steps needed to accomplish this:

Go to Sheet Tab labeled Fund Page 5; hold down CTRL key and with your mouse point and click at Sheet Tab labeled Fund Page 6 then point and click on Fund Page 7 still holding down CTRL key point and click on Fund Page 8. You may release the CTRL key at this point. All 4 Sheet Tabs should be highlighted as active.

The undersigned Clerk/Board Member certifies the Public Hearing was held on the 11th _____ day of _____, 2000 up. First, you need to be sure to click on the box in the lower left corner by Create a Copy. Second, in the middle section of the window it lists all of the sheet names, you need to move down that list and click with your mouse on Schedule A - Page 9. By doing this you will be placing the new set of fund pages after the first set but before Schedule A - Page 9.

The new set of Fund Pages will be indicated by a (2) after the Sheet Tab Title. This will continue on with a (3), (4), etc. to how many you need.

The Cell Is Locked:

UNDER NO CIRCUMSTANCES WILL PASSWORDS BE GIVEN OUT. Either the cell is locked because it contains a formula or you are trying to input information in the wrong cell.

Inputting Information for Hearing Dates etc. on Cover Page and Notice of Budget Hearing (NBH):

To input hearing date, be sure to be in Cell A32. You will need to edit the cells contents. To edit you hit F2 then move around in the text deleting the underlines and replacing with your dates.

In cases where there is text surrounding where you need to put information you should always go over to Column A in the line on which you need to input and try hitting F2 to edit.

Portions of Words Disappear on my Screen:

This is a weird little quirk that happens. All of the words are still there and will print out correctly.

To be able to see all of the words again, usually just going from one page to another and back again corrects the situation.

You Note Any Errors Or Have Any Problems:

We have tested this spreadsheet through various people to help identify any problem areas and to ensure formulas are correct. However, we cannot account for all the variables that occur with each individual budget. If you feel there is an error in a formula please contact us immediately so we can go over the problem(s) and if necessary correct the situation.

All of your comments or ideas to better the budget form are taken into consideration. Please feel free to contact us at (402) 471-2111 with these items. We make this available to you to HELP in the budget process and wish to improve to make the spreadsheet more user friendly.

Line-by-Line Instructions

Schedule 1

Line 1 - LB 647 allows Counties, Cities, and Villages to choose to convert accumulated unused restricted funds authority if unused property tax request authority available to use on 2025-2026 budget. The amount converted cannot exceed 5% of taxes levied for the political subdivision in 2024. The APA has calculated the maximum conversion for each entity based on restricted funds authority noted on 2024-2025 budgets filed with our office, and based on taxes levied reports from the Department of Revenue. This information can be found at the following link on our website. The "Maximum Allowed Conversion" column will be used.

https://auditors.nebraska.gov/Budget_Info/B2025-2026/Unused_Budget_Authority_Conversion_Maximums_County.pdf

The amount entered on Line 1 cannot exceed the maximum allowed conversion amount noted on this file. You may choose the maximum amount. If you think there is an error in this calculation for your political subdivision, please contact the State Auditor. Note, the legislation states the 5% limitation is applied to 2024 taxes levied, not taxes requested on the budget. Therefore, differences between the tax request on the 2024-2025 budget, and the 2024 final taxes levied per the Department of Revenue.

Line 2 - the amount of prior year's unused property tax request authority that was used during the current year must be subtracted from the amount must agree to Computation Form, Line 24.

Line 3 - Unused Property Tax Request Authority created on the current year's budget will be added to the accumulated Unused Property Tax Request Authority. This amount must agree to Computation Form, Line 28.

Line 4 - This is the total Unused Property Tax Request Authority that will carry forward to next year's budget. This carryforward cannot exceed 5% of the total property tax request authority from the prior year. Because 2025-2026 is the first year the limit Growth Limitation Act are in effect, there is no prior year property tax request authority. Therefore, the 5% carryover limit will be effective beginning with 2026-2027 budgets.

Schedule 2

If using an Emergency Response exception on the Computation Form, Line 17, you must complete Schedule 2.

Column A - Provide brief description of emergency

Column B - Provide the date the emergency was declared by the Governor, or principal executive officer of the local government

Column C - Document who declared the emergency (Governor or principal executive officer of the local government)

Column D - Document the amount of the current year property tax request that is needed to respond to an emergency declaration and is being used as an exception. The local government must be able to provide supporting documentation for how this amount was determined upon request by the State Auditor.

This exception can only be used to respond to previously declared emergencies. It CANNOT be used to accumulate funds as a contingency in possible future emergencies. Supporting documentation for the emergency declaration must be attached to the budget submission if the emergency was declared by the principal executive officer of the local government.

Schedule 3

If using a Public Safety exception on the Computation Form, Line 18, you must complete Schedule 3
