\* Real Growth Value is determined pursuant to Neb. Rev. Stat. § 77-1631 which includes (i) improvements to real property as a result of new construction and additions to existing buildings, (ii) any other improvements to real property which increase the value of such property, (iii) annexation of real property by the political subdivision, and (iv) a change in the use of real property, (v) any increase in personal property valuation over the prior year, and (vi) the accumulated excess valuation over the redevelopment project valuation described in section 18-2147 of the Community Redevelopment Law for redevelopment projects within the political subdivision in the year immediately after the division of taxes for such redevelopment project has ended.

a) Real Growth Percentage is determined pursuant to Neb. Rev. Stat. § 77-1631 and is equal to the school district's Real Growth Value divided by the school district's total property valuation from the prior year.

I, Marilyn Hladky, Seward County County Assessor, hereby certify that the valuation listed herein is, to the best of my knowledge and belief, the true and accurate taxable valuation for the current year, pursuant to Neb. Rev. Stat. § 13-509.
